

Recommendation Letter

Date: Jan. 10, 2020

To whom it may concern,

It is with great pleasure to recommend **Malik Abdullah Abraheem Altawati**. I've supervised his graduation project during two semesters (Fall 2018 - Spring 2019). Malik is one of the most outstanding students I've met while of my career as a teacher, he is a smart guy, a fast learner, and a hard worker. On the personal level Malik is a polite person, and has high commitment and reliability.

MSc. Bilal A. Aljabour

Teaching staff member at the Information Technology Faculty, Libyan International Medical University
